220962063 - Sambhav Nath Jain

Home Assignment - WEEK 1

Date: 8 January 2025

Time: 7:35PM

Question 4: Using HTML, make the given table.

```
<!DOCTYPE html>
<html>
    <title>
        Table in HTML
    </title>

    <body>
        <table>
            <tr>
                <th style="background-color: red;">Country</th>
                <th colspan="2" style="background-color: red; text-align: center;"
>Population in Crores</th>
            </tr>
            <tr>
                <td rowspan="3" style="background-color: peru; text-align-last:
center;">India</td>
                <td style="background-color: lightblue; text-align-last:
center;">1998</td>
                <td style="background-color: lightgreen; text-align-last:
center;">85</td>
            </tr>
            <tr>
                <td style="background-color: lightblue; text-align-last:
center;">1999</td>
                <td style="background-color: lightgreen; text-align-last:
center;">90</td>
            </tr>
            <tr>
                <td style="background-color: lightblue; text-align-last:
center;">2000</td>
                <td style="background-color: lightgreen; text-align-last:
center;">100</td>
            </tr>
            <tr>
                <td rowspan="3" style="background-color: peru; text-align-last:
center;">USA</td>
                <td style="background-color: lightblue; text-align-last:
center;">1998</td>
                <td style="background-color: lightgreen; text-align-last:
center;">30</td>
            </tr>
            <tr>
```

```
                <td style="background-color: lightblue; text-align-last:
center;">1999</td>
                <td style="background-color: lightgreen; text-align-last:
center;">35</td>
            </tr>
            <tr>
                <td style="background-color: lightblue; text-align-last:
center;">2000</td>
                <td style="background-color: lightgreen; text-align-last:
center;">40</td>
            </tr>
            <tr>
                <td rowspan="3" style="background-color: peru; text-align-last:
center;">UK</td>
                <td style="background-color: lightblue; text-align-last:
center;">1998</td>
                <td style="background-color: lightgreen; text-align-last:
center;">25</td>
            </tr>
            <tr>
                <td style="background-color: lightblue; text-align-last:
center;">1999</td>
                <td style="background-color: lightgreen; text-align-last:
center;">30</td>
            </tr>
            <tr>
                <td style="background-color: lightblue; text-align-last:
center;">2000</td>
                <td style="background-color: lightgreen; text-align-last:
center;">35</td>
            </tr>
        </table>
    </body>
</html>
```
